

Year Group: 3

Term: Autumn 1

Long Term Plan Theme:

Our Green and Pleasant Land

Curiosity (Engagement)

We will be encouraged to ask questions based around the history or our local area inking how and why things have changed.

Teamwork / Independence

We will have opportunities to work in teams researching the UK's features and our local area. We will also have opportunities to work independently creating pieces of writing.

Visual Representation

Resilience

We will continue to focus on becoming resilient learners. For example, we will be shown new software (digi maps).

Empathy

We will have opportunities to empathise with others that have lived in our local area and the UK in the past and currently.

As mathematicians

As mathematicians, we will use statistics to find out information about the different regions of the United Kingdom.

As writers

As writers, we will be organising and presenting our non-chronological reports to make them clear.

As citizens

As citizens, we will visit the local area and have an understanding of our local area and how it has changed over time.

As scientists

As scientists, we will be learning all about rocks and soils. We will have the opportunity to carry out practical experiments.

As computing experts

As computing experts, we will be using a variety of software to help us investigate places and features.

As historians

As historians, we will be exploring and investigating the history of our local area. We will be exploring changes over time.

As geographers

As geographers, we will be investigating the UK and will be introducing geographical vocabulary (physical and human features).

As athletes

In Outdoor and Adventurous Activities, we will learn to work with others to solve problems. We will learn how to read and understand a basic map. As gymnasts, we will use different pathways, directions and shapes to create sequences.

As musicians

As musicians, we will be composing phrases and improvising rhythms and sung phrases.

As linguists

We will gain the confidence to speak and read at word level in a foreign language, compare and contrast the French and English language, find good strategies for remembering new vocabulary and learn the basic geography of France.
