

Year Group: 3

Term: Autumn 2

Long Term Plan Theme:

Art Attack!

Curiosity (Engagement)

We will research and ask questions about different periods in British history. We will also engage with a variety of artistic styles to help us find our own personal style.

Teamwork / Independence

We will have opportunities to create art in groups and independently. We will work together to create a dance inspired by ancient Britons.

Visual Representation

Resilience

We will be using a variety of tools and techniques in our artwork. Some of these techniques were used many years ago, so they might be a bit tricky.

Empathy

We will develop an understanding of how life has changed throughout the periods we study. We will compare the differences to our lives.

As mathematicians

As mathematicians, we will be focusing on the chronology of the events we study. We will also calculate the passing of time.

As writers

As writers, we will present information that we have collected in a variety of ways to inform audiences of what we found out.

As religious experts

As religious experts, we will investigate the symbolism of light at Christmas time. We will also be visiting a church to look at the art.

As scientists

As scientists, we will be learning about animals and humans with a focus on nutrition, skeletons and muscles.

As geographers

As geographers, we will continue to study the geography of the United Kingdom and how the ancient British art was influenced by this.

As historians

As historians, we will develop our understanding of the chronology of British history with a focus on ancient Britain.

As artists

As artists, we will create images and artwork inspired by famous works and artists.

As athletes

In games, we will demonstrate basic passing and catching skills and learn the rules of handball. As dancers, we will use our imaginations and movements to build a performance about Stonehenge.

As musicians

As musicians, we will be composing phrases and improvising rhythms and sung phrases.

As linguists

We will gain the confidence to speak and read at word level in a foreign language, compare and contrast the French and English language, find good strategies for remembering new vocabulary and learn the basic geography of France.
