Worplesdon Primary School – Sports Premium Grant Overview

Introduction

At Worplesdon Primary School we believe P.E. and Sport play an important role in making our vision statement a reality for every pupil, with the potential to change young people's lives for the better.

We have welcomed the Government's decision to continue to provide additional funding to improve provision of physical education (P.E.) and sport in primary schools. We are committed to using this resource in developing high quality P.E. lessons, alongside greater opportunities for sporting competitions and clubs for all our young people.

Sport Premium Grant

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11) as at the annual census in January 2016. All schools with 17 or more primary aged pupils will receive a lump sum of £8000 plus a premium of £5 per pupil. Smaller schools will receive £500 per pupil.

Worplesdon School Funding:	Lump Sum	=	£8000
	£5 * 357	=	<u>£1785</u>
	Total	=	£9785

What Does The Sport Premium Mean For My School

'Schools must spend the additional funding on improving their provision of P.E. and Sport, but they will have the freedom to choose how they do this' (DfE June 2013).

At Worplesdon Primary School we have split up the funding by the three key areas for consideration; Physical Education, Healthy Active Lifestyles and Competitive Sport. We have decided to spend the Sport Premium Grant on the following:
