Introduction

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11) as at the annual census in January 2016. All schools with 17 or more primary aged pupils will receive a lump sum of £16000 plus a premium of £10 per pupil. Smaller schools will receive £500 per pupil.

Worplesdon School Funding:	Lump Sum	=	£16000
	£10 * 450	=	<u>£4500</u>
	Total	=	£20500

What Does the Sport Premium Mean For My School

‘Schools must spend the additional funding on improving their provision of P.E. and Sport, but they will have the freedom to choose how they do this’ (DfE June 2013).

At Worplesdon Primary School we have split up the funding by the three key areas for consideration; Physical Education, Healthy Active Lifestyles and Competitive Sport. We have decided to spend the Sport Premium Grant on the following:

Physical Education Raising Standards of all our children in Physical Education	
Objectives	Outcomes
Specialist P.E. Teacher in place	Specialist teacher appointed and delivering high quality lessons and organising a well planned P.E. programme
All staff delivering quality P.E. lessons	With support from the P.E. specialist, all staff consistently deliver quality P.E. lessons for pupils.
Staff access training opportunities	Staff have access to training through PE Hub and Active Surrey to improve their knowledge and ability to deliver quality lessons across the P.E. curriculum.

Healthy Active Lifestyles

Ensuring all our children have access to regular exercise

Objectives	Outcomes
To provide a range of sports clubs and activities for children of all ages and ability.	There is a greater range of activities provided by school staff and outside providers and there is a greater percentage of children regularly participating.
To provide activities and equipment to encourage physical activity at break times and lunch times.	Through consultation with the children through the School Council more activities are organised by lunchtime staff and more equipment is provided to encourage physical activity.
Ensure that all children have two hours of quality P.E. lessons per week.	The timetable ensure that all children receive two hours of P.E. time per week.
To assure that children have weekly swimming lessons in the Summer Term.	Groups of children will be taken by coach to the local sports centre, for weekly swimming lessons.

Competitive Sport

Increasing pupil's participation in Extra Curricular Sport

Objectives	Outcomes
To increase the number of children of all ages participating in interschool sports competitions.	An increasing number of children are involved in interschool competitions in an increasing number of sports.
To involve all children in the school in competitive inter house sports competitions.	To use the house system to structure inter house sports competitions that all pupils compete in on a number of occasions throughout the year.
To facilitate pupils accessing external clubs and competitions.	Pupils are given information to enable them to access local clubs and entry to competitions such as the Surrey Youth Games.
