

Worplesdon Primary School

Positive Questionnaire Comments Spring 2018

Introduction

We were delighted to see that 79 families responded. Below are the positive feedback comments that we received.

Positive Comments Received

- We are extremely happy with the education and care that our child receives at Worplesdon. Thank you.
- We as a family are extremely happy with the attention to care, teaching, safety provided for our child and for all children at Worplesdon Primary School.
- A lovely school we enjoy being a part of. Many thanks to everyone for your hard work for our children.
- I'm pleased about the recent changes to tackle the poor behaviours of some.
- With regards to safe guarding around the school grounds I feel many things have improved this year.
- We love the school and think Mrs O'Brien is doing a fantastic job since taking over.
- I think Worplesdon is a brilliant school for children.
- My kids are happy and know where they're at with things which is great. I also think the Mrs O'Brien's habit of being present at drop off and pick up is one of the best things, it's so good that she and other senior staff are available and in touch with parents.
- An amazing set of teachers and staff - I feel very lucky.
- Fantastic school.
- Thank you - you run a very good school and I am happy my son is at it.
- I am positive about the school, but for some of the questions I'm not seen the evidence to give a 'strongly agree' response, for example, I have seen material about the school's bullying and discipline policies but I or my child has not had the experience where we have seen it being used in a real situation (and hopefully won't have to). From what I have seen at school events (my child is in Y1) WPS children are well disciplined, have respect for the teachers but have the confidence to engage positively with the teachers and Head. Keep up the good work and your efforts to improve. We appreciate what you do even though we have limited occasions to tell you that.
- Overall I have been very impressed with every contact I have had with the staff of the school and feel that my son is in a great environment to support his learning. Thanks for all the hard work!
- Worplesdon Primary is an excellent school & I feel so lucky that my older children have previously been a part of the school & now my youngest is also. It has such a lovely caring safe & welcoming atmosphere with amazing teachers & staff alike.
- Worplesdon provides children with a happy, safe and positive environment which enables them to develop a love of learning and to build confidence in their strengths and abilities.
- The teaching team are fantastic. Many thanks for all your hard work my girls love school.
- The office staff are all absolutely fabulous and so happy to help; they are a real credit to the school.
- I do love Worplesdon and think it is a great school.
