ONLINE SAFETY

National Online Safety is a great organisation. They believe in empowering parents, carers and trusted adults with the information they need to hold informed and age-appropriate conversations about online safety with their child, should they feel it is needed. Every Wednesday they produce guides to focus on specific platforms/risks which they believe trusted adults should be aware of.

If you would like to know more, please follow the link below ...

YEAR 6 SATS

We would like to congratulate our Year 6 children on the way they have conducted themselves this week and how hard they have worked during their SATs. Thank you to our parents and carers for their continued support during this time.

SAFETY WITHIN SCHOOL GROUNDS

It is good to see a number of families cycling and scooting to school, but please can we ask that all **adults and children** dismount their bicycles and scooters when entering the school grounds, for the safety of others. Thank you for your co-operation 😊.

ATTENDANCE

We are pleased to see this week our attendance has risen by 0.1% to 95.9%, which is still below our target of 96.1%, but an improvement on last week. Once again the Reception children have the best attendance throughout the school, with the boys doing better overall than the girls. Please support us by adhering to our attendance policy. Remember, there is significant research to prove that every day lost in education has a negative impact on children's achievements.

IMPORTANT DATES

Date	Content
