WOW – TUESDAY & WEDNESDAY

The WOW initiative is a nationwide scheme with one aim ... to create a walking nation where people of all generations enjoy the benefits that this simple act brings and we want all our streets to be fit for walking.

At Worpleston, we believe that the WOW initiative complements our drive to improve the safety around the school site and to promote healthy lifestyles to our children.

As a school, we would love our children to try to change from driving in a car to school to a more environmentally friendly and healthier way of travelling to school such as walking, riding or scootering. If you are not able to do this, please try car sharing or parking at least as far away as the local shops and then walking from there.

We are asking the children to try and use green travel at least twice per week (on Tuesdays and Wednesdays). The children will record how they get to school on the *WOW Travel Tracker* and those who walk at least once per week for a month are rewarded with a themed badge.

It's simple to run, fun and easy to take part. Please support us ☺.

YEAR 4 TRIP TO MARCHANTS HILL

We welcomed back those Year 4 children who went on the PGL trip to Marchants Hill today. They were all very excited to see their families and to tell their stories of all the fun activities they had done. A big thank you to the children for their excellent behaviour whilst away and to the staff who made the trip such a wonderful experience. I'm sure they will all sleep well tonight!
