

## Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Here is our first email of the year!

We are very pleased with the way all the children have settled into their new classes, there are a lot of new routines to get used to and new areas of learning to tackle but everyone is rising to the challenge!

In English, we have started our new text 'This Morning I Met a Whale' by Michael Morpurgo. This week we have re-written the beginning of the story before moving onto adding our own tweak next week. Our skill focus is to use a range of conjunctions.

In Maths, we are exploring the Place Value of digits in four digit numbers. We will continue to work on this next week.

Next week we have our start the year meetings. We are trying a different format this year and would like to welcome you to our classrooms at 2.30pm on Tuesday 16<sup>th</sup> September. The children will be able to share with you the work they have completed so far this year and the staff will be available to answer any questions you may have. If you are not able to attend, we will be sending the information home.

You will also be receiving information this week about our new homework passports. We are very excited about this change and hope the children will be too! If you have any questions please don't hesitate to ask.

You will shortly be receiving an initial letter about our trip to Marchants Hill PGL in May. We will need to receive an initial deposit before October half term to secure your child's place, so please keep an eye out for this letter/email.

Just a reminder: PE kit needs to be in school on Mondays and Thursdays (Woodpeckers and Nightingales) and Tuesday and Thursdays (Kingfishers). Please ensure your child is able to remove their earrings for PE and that no jewelry (including friendship bracelets) is to be worn to school.

If you have any questions or concerns throughout the year, please do not hesitate to let their class teacher know. We are here to help.

Have a lovely weekend,

The Year 4 Team
