

Worpleston Primary School – Weekly Update

Dear Parents/Carers,

We have been extremely impressed with how well the children have settled back into school life and they have demonstrated excellent behaviour. It has been a brilliant first full week. In Maths this week, we have been recapping Place Value and in English, we have been looking at Greek Myths with a focus of 'Theseus and the Minotaur'.

This week the Year 6 team and Mrs O'Brien introduced the children to the 'Year 6 Roles and Responsibilities'. The children will be given a role within the school. In order to be chosen for a role, the children need to write a letter of application, which includes a description of why they would do a good job and should be chosen in reference to three specific roles. Your child may have chosen to bring this home to either type up, proof read or complete.

The roles are as follows:

House Captain	Prefect	Playground Leader
Maths Ambassador	Literacy Ambassador	Monitor
Eco Team	Librarian	School Councillor

Furthermore, next Tuesday (17/09/19) between 2:30 and 3:00, it is 'meet the teacher' day. This is a chance for you to visit the children's new classrooms, meet the teacher and see what they have been getting up to so far in their new year group. We will also provide you with relevant information for the upcoming year.

Today your children received their new Homework Passport. This includes a range of tasks that the children can complete. They have to choose a minimum of four tasks to complete by half term. After half term, there will be a chance to celebrate and share what they have done with their peers and teachers. In Year 6, the children are also expected to complete Maths, English and Spelling homework each week on top of this.

Thank you for your continued support, we hope you have a great weekend.

Miss Hines, Miss Dunne, Mr Clifton and the rest of the Year 6 Team
