

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 20th September 2019

What another busy week! Finches and Blackbirds have been working so hard!

In English we have been using a text called 'Whatever Next' as inspiration for our writing. We have been using pictures to sequence the main events from the story and to retell the story in our own words. When writing we have still been focusing on leaving finger spaces between our words.

In maths we have been using the language equal to, more than, less than, most and least to compare numbers. The children have enjoyed using lots of different manipulatives to help them with this.

The children are getting very good at taking responsibility for changing their reading books. Please can we ask that the children bring both their reading book and their reading record in everyday to school even if the book doesn't need changing.

Both Finches and Blackbirds are hoping to make their reading corners more inviting. We are looking for any bright coloured cushions to help with this. If you have anything like this at home that you no longer want please can we possibly have them to use in school?

The children are getting much quicker at choosing their lunches each day. Please can we ask that you keep sending your child into school each day knowing what they might like for lunch.

We hope you enjoyed visiting the classrooms on Tuesday, it was lovely to see so many of you join us.

If you have any questions at all please don't hesitate to pop in and ask us.

Many thanks

The year 1 team.
