

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

It was lovely to meet so many of you at our start the year meetings on Tuesday. We hope you enjoyed seeing our work and classrooms! The children certainly have had a busy start to the school year! You should have received a parent mail with key information for Year 4, if you have any further questions about your child or the year in general please don't hesitate to ask.

This week in English, we have been tweaking the story of This Morning I Met a Whale to include a new character. Our skill focus is still to use a range of conjunctions. Next week we will be inventing our own stories based on this theme.

In Maths, we are continuing our work on Place Value and have been looking specifically at rounding to the nearest 10, 100 and 1000. Next week, the children will be consolidating and applying this learning with a selection of reasoning and problem solving activities.

We are very pleased with the enthusiastic response to our new homework passports! Many children have already completed some activities and we have seen a range of drawings, photos, models and writing.

Please remember to keep signing the reading diaries and practicing times tables at home. When putting reads into the reading diaries please record anything that the children have read, not just their library books. It is great to see them reading a variety of different texts.

Kind Regards,

The Year 4 team.
