

Worpleston Primary School – Weekly Update

Dear Parents / Carers,

27th September 2019

What a productive week it has been in Year 6!

This week, in maths, the children have been working hard on their formal multiplication and division skills and it has been wonderful to see how motivated and resilient the children have been as they have worked.

In English, they have been drafting their tweaked versions of Theseus and the Minotaur, and we look forward to seeing the finished piece of writing next week.

On Monday, the year group enjoyed a taster session of 'Tri-golf' and it was lovely to see how positively they approached a sport that many of them are unfamiliar with.

In learning for life, the children considered how brands are presented in the media, and how adverts featuring celebrities can influence our behavior.

Additionally, a massive congratulations to Kestrels class who performed the first class assembly of the year. The children spoke confidently and conveyed the importance of working as a TEAM and following the school rules.

As a reminder, if you have any spare newspaper, we would greatly appreciate if you could bring them into the classroom as we are running low.

Finally, thank you to the children who are reading more regularly and are recording at least 4 reads in their diaries. In addition, please encourage the children to regularly use TimesTables Rockstars as we are really seeing the positive impact on their mental arithmetic in lessons.

Thank you for your continued support; we hope you have a lovely weekend.

Miss Hines, Miss Dunne, Mr Clifton and the Year 6 Team.
