

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

27th September 2019

It has been another busy week in Year 5! We have been continuing to develop our vocabulary in English through personification. If you visit anywhere over the weekend then please ask your child to describe something that they can see using personification – they've been coming up with some wonderful sentences!

We have also been busy listening to the children read. It would be fantastic if you could continue to work on this by listening to your child read aloud every week - this really improves both their fluency and their confidence.

Most children brought in their PE kits this week but we are still in need of spares so if you have an old kit that you are able to donate (including any trainers) then this would be hugely appreciated.

It has been fantastic to see all of the things that the children have been doing for their homework (and to taste some of it too for those who have taken on the cooking challenge!) If your child is yet to start this or you have any questions then please come and speak to a member of the Year 5 team who will be more than happy to give some guidance.

Just a reminder that next Friday (October 4th) it will be Owls' Class Assembly.

Kind regards,

The Year 5 Team
