

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

4th October 2019

This week, the children have been writing diary entries in the past tense as if they are Thomas Farriner, the baker from the Great Fire of London. Next week they will be writing diary entries about the campfire that they experienced this week!

In Maths we have continued looking at place value by adding and subtracting 10 using Dienes to represent the numbers. We have used word problems as challenges this week which the children have enjoyed as they can apply their skills in different contexts.

We are looking forward to welcoming the children's grandparents in to the classroom on Friday next week to join us making autumnal crafts and Harvest creatures. We will also be showcasing our new guided reading books which the grandparents will be welcome to sponsor.

To make the afternoon really special, the children may want to bring in some resources to include in their crafts. For example, some things they have found outside (leaves, feathers, pine cones) or some fun bits to add to their harvest creatures (googly eyes, pipe cleaners).

As the weather is getting colder, the children all need a coat in school every day please.

If any parents have a spare hour in the afternoon before pick up, we would love some help hearing readers each week. Please speak to your child's class teacher to arrange. Thank you!

Kind regards,

Year 2 team
