7th October 2019

Due to the Grandparents event taking place this Friday, children will be having their lunch slightly earlier and will be eating in class. There will therefore be only two lunch options this Friday, rather than our usual three. These two options will be:

- Red band: Breaded fish and chips
- Green band - Sweet potato whirl and chips.

Special diets will be catered for as normal.

Studybugs has been updated so should only have the two lunch options plus special diets showing on Friday.

Kind regards,

School Office
