Dear Parents and Carers,

Re. **Changes to Data Protection Law**

You may be aware that from the 25th May 2018, the rules around data protection are changing. The 'General Data Protection Regulation' (GDPR) will change how we can use your personal data and keep it safe and will also strengthen your rights over your own data.

The point of this is to make sure sensitive or private information about yourselves and your children stays safe. Whilst it is similar to the current Data Protection Act in many ways, there are a few differences, so we have made changes at the school in order to ensure we remain compliant.

One of these changes is that we have updated our privacy notices, which can be found in our new Data Protection Policy which will be uploaded on our website after the half term break.

If you have any questions about how the GDPR affects you, please contact our Data Protection Officer, Jenny Ireland on 01483 232126 or myself.

Yours faithfully,

Karen O'Brien
