

Worpleston Primary School – Weekly Update

Dear Parents / Carers,

Friday 18th October

This week, in English the children have been using their plans and research, to write their own non-chronological report about the Ancient Olympic Games. During this process, they have been working hard to edit their work to make additional improvements. We are looking forward to seeing their finished piece next week. In maths this week, we have continued to work on fractions, including order and comparing fractions with different denominators. The children have impressed us with how hard they have been working and applying their knowledge to different problems.

Thank you to all that attended parents evening, it was lovely meeting you and discuss your child's progress. The children have made a great start to Year 6 and we are impressed with their resilience and hard work. We have attached the KS2 statutory spellings, which follow no specific rule, as some of you asked for these during the meetings.

Over the next few weeks, if you have any spare newspaper, we would greatly appreciate it if you could bring them into the classroom as we are running low. After half term, we will be planning and creating Year 6 stalls for the Christmas Fair so it would be beneficial for this reason.

Thank you for your continued support; we hope you have a lovely weekend.

Miss Hines, Miss Dunne, Mr Clifton and the Year 6 Team.
