

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

24th October 2019

Well what a busy term we have had! The children have worked so hard across the curriculum and we are proud of the achievements that they have made throughout our Achievements and Legacies topic.

We have all been so impressed with the quality of the homework that the children have produced and it has been great to see such a variety of tasks being completed. Next half term the children will be working through a new Homework Passport with activities linked to our new topic Land of the Free and different areas of the curriculum that we will be covering.

On the first Monday after the Half Term break we will be starting our swimming lessons. Please ensure that your child has the full kit requirement with them:

- Swimming trunks (boys) or one piece bathing suit (girls)
- Swimming hat for both boys & girls
- Towel

As all kit will be kept in a container whilst the children are swimming, it would be very useful if their bag could be clearly labelled.

If any parents are able to help out with supporting us on the coaches for the swimming sessions then we would be very grateful. We will be going on Mondays. If you are able to support with the first lesson, we would need you to be available from 10am-12pm. If you are able to support with the second lesson then we would need you to be available from 10.45am – 12.30pm. You will need to have a valid Worplesdon DBS certificate, but we can help with how to obtain this. Please express your interest using the form below. We thank you in advance.

You should also have received a ParentMail about a trip to Winston Churchill School. The trip will be running on two different days and your ParentMail will specify the day your child is invited to attend. If you have any questions about this then please contact your child's teacher as soon as possible.

We would like to take this opportunity to thank you for your continued support and to wish the children a restful break before we begin the second half of our Autumn Term.

Kind regards,

The Year 5 Team
