Winston Churchill School – Planetarium Visit

Year Group is split into two

Dear Parents and Carers,

As part of our upcoming Space science unit, we have been given an exciting opportunity to visit the brand new Planetarium at Winston Churchill School. Not only this, but Winston Churchill have offered to fully fund the children's trip – including their coach travel.

We will be splitting the year group as the trip will be running on two different days.

Your child will be attending on **THURSDAY 21st NOVEMBER**.

We will be travelling to and from school by coach during the school day. They will need to wear full school uniform and bring a bottle of water.

We need one parent helper for this trip – if you are able to help out then please indicate so on the form below.

Kind regards,
The Year 5 Team

Dear Parents and Carers,

As part of our upcoming Space science unit, we have been given an exciting opportunity to visit the brand new Planetarium at Winston Churchill School. Not only this, but Winston Churchill have offered to fully fund the children's trip – including their coach travel.

We will be splitting the year group as the trip will be running on two different days.

Your child will be attending on **THURSDAY 7TH NOVEMBER**.

We will be travelling by coach in the morning from school and your child will require a bottle of water, a packed lunch and will need to wear full school uniform.

Further to this, your child has also been selected to attend a special Music Enrichment event hosted by Winston Churchill.

This event will be on the afternoon of Thursday 7th November and will follow on from their morning at Winston Churchill's Planetarium.

If your child is an instrumentalist they will need to bring their instruments with them on that day (but not if they are drummers or keyboard players.)

At the end of the day you are invited to attend a concert that your child will be a part of, in the Churchill Suite opposite the main music room at 3.30pm. This is expected last around 30 minutes.
