

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

24th October 2019

The children have worked incredibly hard this half and we are really pleased with the progress they have made this half term.

After half term, in our learning for life lessons, we will be building on discussions that took place in the summer term around puberty and the changes in our body. If you have any questions, please feel free to speak to your child's class teacher. Additionally, we will also begin to discuss how drugs and alcohol affect our body.

Our science topic next half term is evolution and inheritance. As part of this topic, we would like the children to bring in a family photo that we can use in our lessons.

Over half term, the children have been given one piece of homework to complete, either maths or English. Furthermore, they are still required to complete their reads and spellings as usual. In addition, their homework passport will be due the first week back.

All children will be going home with their pencil cases. Please can you double-check that the children are prepared for school by ensuring that they have these items in their pencil case:

- Blue handwriting pen (not biro)
- Pencil
- Glue stick
- Rubber
- Green pen (biro)

Thank you for your continued support; we hope you have a lovely weekend.

Miss Hines, Miss Dunne, Mr Clifton and the Year 6 Team.
