

Worplesdon Primary School – Weekly Update

Friday 8th November 2019

Dear Parents / Carers,

Welcome back after the half term holiday! We hope you all had an enjoyable and restful week!

We have been very impressed with the amount of homework, from our new passport that has been completed already! Well done!

In English, we have been looking at our new text 'The Firework Maker's Daughter' by Philip Pullman. Our skill focus is to use imaginative descriptions including expanded noun phrases, similes and alliteration. We will be continuing with this next week when we tweak the setting, which we will write about as we read further into the book.

In Maths, our focus is multiplication, this week concentrating on the six table. We have been practising our fluency and problem solving skills. Any support practising and reinforcing this at home would be great. Next week we will be focusing on the nine times table.

This week we have been lucky enough to have had the first of three sessions about financial awareness delivered by Metro Bank. This is part of our Learning for Life curriculum and is specifically tailored to KS2 children. These sessions were offered to us free of charge and will run for the next few weeks.

There are a few mufti days on Fridays this half term where the PTA are asking for various donations towards the Christmas fair. Please look out for the relevant ParentMail!

If you have not paid the deposit for PGL, but would still like your child to attend, please make sure that you speak to one of the Year 4 team or a member of the office staff ASAP so that we can finalise our numbers.

Kind Regards,

The Year 4 team.
