

Worplesdon Primary School – Weekly Update

Friday 15th November 2019

Dear Parents / Carers,

Thank you for all the Jolly Jars that have been donated today!

This week has been 'Anti- Bullying' week in school and all the classes have been taking part in a number of different activities and assemblies based around this theme. In Year 4, we have been creating graffiti walls with positive messages written on them to remind us that change starts with us.

In English, we have been writing the next stage of our stories based on the Firework Maker's Daughter. Next week we will be inventing our own version of the story in a new setting. Our skill focus is still using expanded noun phrases, similes and alliteration.

In Maths, we have been learning our 9 times table. We have all learnt the 'finger trick' to help us! Next week we are exploring and improving our fluency of the 7 times table. Any practicing that you could do at home would be greatly appreciated.

In Art, we have been creating our clay Shabtis and are now waiting for them to dry out before decorating them.

On Monday, the children will be having their individual school photos so please send them to school camera ready.

Just a reminder that as the weather turns colder, please ensure that your child brings a coat to school every day. If you have any old, spare coats that you would be willing to donate to the school we would be very grateful.

Keep an eye out for PTA emails about the Christmas Fair, there are a few dress down Fridays coming up!

Kind Regards,
The Year 4 Team
