

18th November

Dear All,

Please find attached the complete calendar of events that we are hoping to run to raise funds for the school via the PTA this academic year! We hope that you find this information useful.

We are aiming to raise funds for new guided reading sets, further Chrome books for each classroom, musical instruments, PE equipment, playtime kit and reference books.

Last year we did an amazing job as a team to raise funds for IT updates, bug club, purple mash, maths mastery and the library refurbishment amongst other things! With your support I am sure that we can deliver another great year of support for the school and all of our children's education.

If you would like to volunteer to help organise any of the events on the calendar please let me know!

Many thanks,

Sarah
