

Worplesdon Primary School – Weekly Update

Friday 22nd November 2019

Dear Parents and Carers,

Here is our weekly round- up of news.

In English, we have been writing our own versions of The Firework Maker's Daughter, we have been trying hard to use similes and alliterations in our writing. Next week, we are moving onto our new text 'Tiddalik the Frog' which is an Australian dreamtime story.

In Maths, we have been learning the 7 times table and applying our knowledge to reasoning and problem solving activities. Next week our focus will be multiplying and dividing numbers by 1,10 and 100.

We have been decorating our clay models of shabtis this week and will be bringing them home in the near future.

We have begun to learn some of our Christmas songs, which we will be singing in St Mary,'s church at the end of term. We will need some parents to join us on the walk on Thursday 19th December. If you are able to help please let your child's teacher know.

Please can children keep reading at least four times a week as this is so important for their continued development. Also, now that the weather is getting colder, please could children have appropriate PE kit in school, as mentioned in the newsflash last week.

We have had a few items go missing recently; please can you ensure that everything is named as this does help us to reunite lost property with the right owner! Thank you!

Kind Regards

The Year 4 team.
