

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 6th December 2019

Thank you so much for all the supplies that were brought in to enable to the children to make Christingles as part of our RE day on Christianity. The children thoroughly enjoyed the day.

Curriculum

In Maths we have continued to consolidate our learning of Multiplication and Division. We have introduced the 6 times tables and as always, the children have taken this new challenge in their stride. In English this week we have continued to focus on the text Leon and the Place Between, with a skill focus on alliteration. The children have been innovating the story this week meaning they have made tweaks to the plot, it is always great to see the children using their imagination here! Within the foundation subjects we have moved onto learning about food chains in Science. In Art we have made clay pots to replicate those made in Ancient Britain.

DT Day- Baking

Next week, Year 3 will be baking biscuits as part of their DT Day. We will supply the ingredients for this. However, we are aware that some children have certain dietary requirements. If you have any concerns or queries regarding this please pop in and see your class teacher. On the other hand, if you feel more comfortable with supplying your child with a biscuit that they can decorate, this is also absolutely fine. Please send these in labelled with your child's first name.

Christmas Carol Concert at St Mary's – Thursday 19th December.

We are getting very excited about our Carol Concert and the children have spent their Music sessions with Miss Baynes rehearsing all the songs. As you are aware we will be walking to the Church in the morning and in order to do this we will need consent to be able to take your child off site. There are a number of children who still require consent, so if you have yet to complete this, please can we ask you to do this online as soon as possible. If we do not have consent, your child will not be able to attend. Thank you in advance for your support.

Home learning

Homework is coming in thick and fast as we head towards the end of the term, thank you for all your help and support with this, the work the children are producing is fantastic. **As always we would like to see the children complete 4 signed reads every week.**

As always, if you have any questions please pop in and see your class teacher, our doors are always open.

Kindest regards

The Year 3 team.
