

Worplesdon Primary School – Weekly Update

6th December 2019

Dear Parents / Carers,

Many thanks to all those of you who have offered to walk to St. Mary's with us on Thursday 19th December. We still need a few more adults in order to ensure the safety of all the children, so if you are willing to help please let us know.

On Thursday 19th December, Ms Baynes has requested some of our violinists meet her at the church for 9am. This is so they can play in both the Year 4 and the Year 3 concert. They will then walk back with the rest of Year 4. The Year 4 concert starts at 10:45am so if you are walking with us then please be at school for a 10am departure. More details to follow next week.

This week in English, we have been tweaking the story of Tiddalick the Frog, still using the skill of correctly punctuating direct speech. Next week we will be writing our own Dreamtime stories to explain a natural phenomenon.

In Maths, we have been converting between different units of measure and investigating Perimeter. Next week we will be looking at area.

Thank you so much for all your generous donations for the Christmas fair. The day was a great success and it was lovely to see many of you there!

Although it is some way off, next term the Year 4 classes will be making Roman Chariots as part of a DT project. The children will all need a small box to use so please start collecting!

A reminder that there is only a short time left to complete 4 pieces of homework from the homework passport. We will be celebrating the homework in the final week of term. Our new half-termly passport will be on the website shortly.

Kind Regards,

The Year 4 team
