

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 13th December 2019

Curriculum

In Maths we have been consolidating our learning on Multiplication using a formal written method in order to multiply 2 digit numbers by a 1 digit number. In English it has been our Invention week and our final week of studying Leon and the Place Between. The children have come up with some fantastic ideas, it has been great to see such imaginative writing! Within the foundation subjects, this week has been all about DT, we have designed, baked and decorated a Christmas biscuit.

Christmas Carol Concert at St Mary's – Thursday 19th December

This week the children have continued to work hard practising their carols in preparation for the Carol Concert next Thursday. It would be great for all the children to be able to take part however there are still a number of children who require consent, please can we ask you to do this by informing your class teacher as soon as possible. As mentioned last week, if we do not have consent, your child will not be able to attend. Can we also politely remind you that due to the size of the church and the amount of children taking part, only 1 family member per child is recommended.

If you are able to walk with us to St Marys, can we ask that you stay at school when you drop your child off in order for us to leave school promptly at 9am. If by chance you have a high visibility jacket at home, it would be great if you could bring this with you. Thank you in advance for your support.

Last Day of Term-Friday 20th December

On the last day of term we will be having our class Christmas parties, the children will be able to take part in a variety of craft activities in the morning. In the afternoon we are planning to watch a movie with a popcorn treat. The movie will be a U certificate. We will provide the popcorn, if your child cannot eat this due to a dietary requirement, please pop in and see your class teacher. Alternatively, we are happy for them to bring in a small similar snack in a named bag. However, please no chocolate or sweets and as always, nothing containing nuts.

Home learning

Next week we will be sharing the children's homework, if your child still has pieces they would like to bring into school, please bring these in by Wednesday. **As always we would like to see the children complete 4 signed reads every week.**

General

One of the boys in Magpies has lost a pair of goggles (blue) they have a name on the side. If you could check to see if you have an extra pair of goggles in your bag, we would be most grateful.

As always, if you have any questions please pop in and see your class teacher, our doors are always open.

Kindest regards

The Year 3 team.
