

## Worpleston Primary School – Weekly Update

Dear Parents / Carers,

13.12.19

Thank you so much to all those of you who have offered to walk to the church with us next Thursday. The children have been practising hard and we can't wait to share it with you all!

In English this week, we have been writing our own Dreamtime stories and using the skill of including correctly punctuated direct speech. Next week, we are basing our writing on the popular John Lewis advert 'The Bear and The Hare'. After Christmas, we will be writing diaries as the famous astronaut, Chris Hadfield. Our grammar focus will be fronted adverbials and adverbial phrases.

In Maths, we have been impressed with how the children have embraced area and perimeter. Next week, we have some Christmas themed investigations covering many of the skills we have learnt this term. After Christmas, we will continue to work on multiplication and division with a focus on formal methods. It would be great if you could continue to practise times tables over the holidays as well as using Maths skills in real life contexts e.g. telling the time and using money.

Don't forget all the children need to have completed 4 pieces of Homework before next Thursday. We will be holding a celebration afternoon next week. The new passport is on the school website ready for next half term and we will be sending out a paper copy before the end of term.

Please keep collecting boxes ready for next terms DT project!

Kind Regards

The Year 4 Team.
