

NEWS FLASH

17th January 2020

MUFTI DAY WEDNESDAY 22ND JANUARY

Worpleston School children have shown great empathy towards Australia and have requested that we raise funds to support this crisis. The Australian bushfires have devastated millions of species but one of the species that have been hit the hardest are the already-in-decline koalas. Therefore we are asking children to become WWF Koala Protectors by wearing mufti on Wednesday 22nd January in exchange for a cash donation.

NUT FREE SCHOOL

There have been some children recently who have come into school with chocolate spread sandwiches. As we have mentioned before, we have a number of children in this school with severe nut allergies. Please therefore do not send your child into school with a chocolate spread sandwich as they will not be allowed to eat them here. Please also ensure any snacks or biscuits brought in are also nut-free.

ATTENDANCE

Our attendance this week has slipped slightly to 96.9%. Please support us by adhering to our attendance policy. Remember, there is significant research to prove that every day lost in education has a negative impact on children's achievements.

COLD WEATHER

Please can we ask with this very cold weather coming up that the children come to school with suitable clothing on, as we still have some children wearing short sleeved tops and some who have bare legs. Also, a warm coat is essential for break times and lunchtimes and a grey tracksuit for PE. Thank you.

UPCOMING PTA EVENTS

HOW SHOULD GUILDFORD REACT TO THE CLIMATE EMERGENCY?

DAVID ATTENBOROUGH SAYS

that climate change is humanity's greatest threat in thousands of years, that could lead to the extinction of much of the natural world. Local communities need to help counter this threat.

Guildford Environmental Forum (GEF) is offering a talk and discussion on this vital subject to all parish councils and Residents' Associations in the Borough.

Henrietta Stock, who trained with Al Gore in the US, has now helped to prepare our short presentation, which we trust will spark plenty of audience discussion. Members of GEF's Climate Crisis Group will attend the talks and answer questions.

See below your opportunity to attend one of these hugely important meetings. We look forward to seeing you.

FREE EVENT

Date: Monday 27 January, 2020
