Envis Way, Fairlands,
Worplesdon, Guildford
Surrey, GU3 3NL

Dear Parents/Carers

Worplesdon School children have shown great empathy towards Australia as they face one of the most dangerous and catastrophic bushfire seasons it has ever seen.

The fires are devastating - and the crisis is still ongoing. The Australian bushfires have devastated millions of species but one of the ones that have been hit the hardest are the already-in-decline koalas.

Our children have requested that we raise funds to support this crisis.

Therefore we are asking children to become WWF Koala Protectors by wearing mufti on Wednesday 22nd January in exchange for a cash donation.

Thank you.

Mrs Bassett-Cross
