

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 24th January

The second Year 6 mocks will be taking place the week beginning Monday 3rd February, each morning apart from Friday. Please can you ensure your child is in school on time. We will continue to keep the mocks very low key and will ensure the children feel comfortable and understand there is nothing to worry about. If you have any further questions, please speak to your child's class teacher.

So far this half term, the children have thoroughly enjoyed learning about World War 2. This week in English, the children wrote a letter from Anne to her Father after they were separated from one another. We were impressed with the children's ability to step into Anne's shoes and empathise with her challenging circumstances. In addition, if you or any relatives have any stories, artefacts or anything related to World War 2 at home, we would appreciate if you could share these with your child's class teacher.

In Science next week, we will be building on the discussions we had about drugs when the Guildford Flames visited us. We will be discussing the effects of drugs on our bodies and considering which drugs are good for us and which are not. Furthermore, we shall be encouraging children to further these discussions at home.

Thank you for your continued support; we hope you all have a lovely weekend.

Miss Hines, Miss Dunne, Mr Clifton and the Year 6 Team
