SPORTS NEWS

On Thursday afternoon a team of Year 5s and a team of Year 6s played a football match against local rivals Holy Trinity. Thanks to the Guildford traffic, Worplesdon had to start the games in a bit of a hurry, but with the help of some brilliant teamwork and great perseverance, there were some great goals, tackles, saves and even a few back-heel passes! While the results didn't go our way, the boys should be proud of the way they kept trying their best. Special thanks to those amazing parents who not only helped with lifts – making this fixture possible – but also supported with great enthusiasm.

STAFF CAR PARK

We kindly ask if you are dropping off/picking up your child(ren) or a bag, snack etc or if you are arriving late to school, that you park on one of the residential roads and walk into school, as the staff car park is for **emergencies only**. Also, there is a charge to the school every time the gate is activated. As we are getting an increasing number of parents coming down the driveway, we ask for your co-operation, as you may be asked to reverse back out.

We would also like to take this opportunity to ask that when leaving the school that you use the unofficial one-way system (Envis Way, onto Brocks Drive) as this eases congestion getting off of Fairlands. Thank you.

FISH (Fun In the School Holidays) is a fun, inclusive holiday playscheme for 10 to 16 year olds run by Guildford Borough Council. FISH has 130 places a day at Easter and is open to all, but has a limited number of places for young people with additional needs who require one to one support, it offers concessionary rates for families in receipt of certain benefits and provides a transport scheme to and from Kings College.
