

Worplesdon Primary School – Weekly Update

31.1.20

Dear Parents and Carers of Year 4,

This week in English we have been enjoying reading the beginning of our new text; 'Oliver Twist'. We have been trying to use a mixture of sentence types in our writing (simple, compound and complex). Next week, we are looking at Oliver's journey to London.

In Maths, we have started our new topic of Fractions, investigating equivalent fractions and solving problems about fractions. Next week, we will continue to focus on fractions and we will be adding and subtracting fractions as well as using fractions to solve problems.

On Friday 7th February, it is Woodpeckers class assembly and we look forward to welcoming you into school at 2.45 to share it with us.

We are trying to build up our stock of wet play board games. If you have any old ones at home these would be gratefully received. Thank you!

Kind regards,

The Year 4 team
