

Curiosity (Engagement)
 We will work in a variety of practical and reflective ways to deepen our understanding and encourage questions.

Teamwork / Independence
 We will take responsibility for our own learning in both independent and collaborative activities. As part of a team, we will learn to listen to others ideas as well as contributing our own.

Resilience
 We will continue to focus on becoming resilient learners. We will use the success criteria to check our own progress and work towards improvements.

Empathy
 We will learn to put ourselves in others' shoes in order to understand how our actions affect others.

As mathematicians	We will be developing our understanding of fractions and relating this to our understanding of decimals and percentages. We will also demonstrate our knowledge by solving multi-step problems and relating our work to real world scenarios.
As writers	We will be further demonstrating our narrative skills, thinking about description of characters and settings and the impact on our reader. We will continue to develop our use of dialogue within speech.
As religious experts	We will be investigating how Christians know what happened at Easter by looking at the accounts given by the four Gospels.
As scientists	We will be looking at the changes that humans go through from birth to old age, including puberty. We will also be explore how to keep a healthy mind and make healthy choices about our diet and exercise
As computing experts	We will become game creators using 2DIY 3D in Purple Mash
As historians	We will explore a variety of civilizations throughout the ages to compare and contrast their different beliefs with careful consideration of the historical sources we use and their provenance and reliability.
As designers	We will be using our designs to make our cushions and evaluate these after we have made them
As athletes	We will be developing our netball skills, focusing on passing and teamwork.
As musicians	As musicians we will continue to develop our keyboard skills, singing, playing and improvising around pentachordal pieces as well as learning more about Beethoven
As linguists	We will continue to become more independent learners and risk takers. We will use songs to inspire our writing and language learning. We will build on the grammatical structures from the autumn so as to create developed pieces of language work.
