

Worplesdon Primary School – Weekly Update

13.2.20

Dear Parents and Carers of Year 4,

This week in English the children have been busy writing a new adventure based on Oliver Twist. After half term, we will be working on our new text 'Treasure Island' focusing on performance skills. This is in preparation for our production on 19th March.

In Maths, we have been investigating fractions of amounts and applying these to real life situations. Next half term we will be continuing with fractions while we recap equivalent fractions.

We celebrated our fabulous homework today! It is lovely to see the children appreciating what others have achieved. The new timetable will be on the website this week.

We have given out scripts for the children to begin to learn their words for our production. We would be very grateful if you could help your child to read through the scripts during half term. Details of costumes will follow shortly, but will be kept as simple as possible!

We will be celebrating Book Week in school starting on the 2nd March. We have lots of exciting events planned! On the Friday the children may dress as a book character of their choice so you may want to start thinking about this.

We hope you all have an enjoyable half term,

Kind regards,

The Year 4 Team.
