

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

28th February 2020

We are excited to be celebrating 'World Book Day' with a whole week of book related activities next week! The children will be taking part in a drama workshop on Thursday and will be visited by the author Pete Dougherty on Friday as well as lots of other World book week activities like book reviews, story competitions and dress up days (PJ's on Thursday and Book character on Friday). The children will come home with book vouchers, stickers and a sponsored read sheet to complete if they wish.

In English we have been learning the story of Augustus and his smile which is about a tiger who loses his smile and goes on an adventure to find it. The children have enjoyed acting out the story to remember it and have really impressed us with their ability to think of exciting adjectives and verbs to add to the story. See if they can spot any interesting and unusual vocabulary in their reading books this week.

In Maths we have been revising our knowledge of calculation that we learned back in the Autumn term. The children have been remembering how to answer addition, subtraction, multiplication and division questions using written methods. This is all good practise for their end of key stage assessments which will take place some time in May.

Now that the groups for forest school have swapped over for the new half term, please make sure your child has spare clothes (warm and comfy with wellies or boots) to change in to for forest school on a Thursday afternoon otherwise they will not be allowed to participate. Thank you.

We look forward to seeing you at your parents evening appointments next Wednesday and Thursday.

Kind regards

Year 2 team
