

Worplesdon Primary School – Weekly Update

28th February 2020

Dear Parents and Carers of Year 4,

We hope you all had a happy and restful half term. We have a busy few weeks ahead.

In Maths, we have been consolidating our work on fractions before moving onto decimals next week. As you are probably aware, in June the children will be sitting the new statutory times table assessment. This is a compulsory nationwide test. It is an online assessment very similar in format to Times Table Rockstars. The assessment will be carried out in small groups using the chrome books. Please keep practising times tables at home as we would like the children to be as prepared as possible. If you require further information please ask one of us.

In English, we have started to work on our production of Treasure Island. Please keep going through your child's lines at home. Information regarding costumes will follow.

As you may know next week is Parents Evening. Please sign up online to ensure you have an appointment to discuss your child's progress.

It is also book week next week and we have lots of exciting lessons planned, as well as workshops and quizzes. There are two dress up days in the week: Thursday, dress in pyjamas and Friday, dress as your favourite book character.

Kind Regards,

The Year 4 Team
