Surrey, GU3 3NL

9th March 2020

Dear Parents and Carers,

Due to the number of fundraising and dressing up activities the children have taken part in over recent weeks, the School Council have chosen not to partake in a Sports Relief fundraising event this year, despite it having previously been on the school calendar.

If you wish to donate to Sports Relief you can do this purchasing merchandise through local supermarkets or donating online.

There will be further fundraising opportunities in the summer term for the children to look forward to.

Many thanks
School Council
