

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 13th March

This week the children took part in a cheer workshop. Within their session, in small groups they took part in lifting each other up with support and practised different jumps and gymnastic skills. We were thoroughly impressed with the enthusiasm and effort the children demonstrated.

Furthermore, the children also attended a yoga assembly delivered by an external visitor. Over the next few weeks, the children will take part in a taster yoga session. Please can we remind you that the children need a full PE kit in school every day to accommodate these different sessions.

In Maths this week, the children learnt all about ratio and proportion. They worked hard and demonstrated that they could apply their knowledge to different problem solving questions. In English, we have started a new unit looking at a text called 'The Old Mill'.

The Year 6 team have noticed that the children are running low on equipment. Please can you check with them and restock pencil cases as needed.

In the upcoming weeks up until the SATs, we are providing children with revision tasks to complete as they arrive in the morning. Please can we ask that the children arrive promptly as this is supporting their learning.

Thank you for your continued support; we hope you all have a lovely weekend.

Miss Hines, Miss Dunne, Mr Clifton and the Year 6 Team
