

Worplesdon Primary School – Weekly Update

Friday 1st May 2020

Dear Parents / Carers,

Firstly, well done on another fantastic week of fantastic work produced by the children. We are so proud with how well you are all doing!

As next Friday (8th) is a Bank Holiday, we will not be uploading work onto Google Classroom for that day. Please use that day to have some family time, do some baking, be crafty and creative or (weather permitting) have fun outdoors in the garden or on a walk.

In English, next week the children are going to be writing their own adventure stories. There are two lessons of idea generation and planning and two days of writing. We cannot wait to see what the children come up with. In Maths, we will be consolidating our understanding and fluency of multiplication and division. .

Please remember that if you need any help or advice don't forget you can email one of the team and we will respond as soon as we are able. We do not expect all children to complete every piece of work or task and we appreciate there will be days when school work is not a priority!

We hope that you are all staying safe and healthy, we miss seeing the children every day!

Kind Regards,

The Year 4 Team
