

## Worplesdon Primary School – Weekly Update

Thursday 7<sup>th</sup> May 2020

Dear Parents / Carers,

Firstly, well done on another week of fantastic work! We have particularly enjoyed reading your adventure stories.

Tomorrow is a Bank Holiday; we will not be uploading work onto Google Classroom. Please use tomorrow to have some family time, do some baking, be crafty and creative or (weather permitting) have fun outdoors in the garden or on a walk.

In English, next week the children are going to be using the present perfect tense to retell the story of 'Can You Catch a Mermaid'. On Tuesday, a video version and a PowerPoint version of the text will be available. In Maths, we will be focusing on statistics. The children will be interpreting and creating their own graphs.

Please remember that if you need any help or advice do not forget you can email one of the team and we will respond as soon as we are able. Our priority is the children's well-being so if they are having a particularly tricky day then we do not expect all children to complete every piece of work. Please let the teachers know if you have any concerns or questions.

To support the children's well-being, Mrs Ireland has uploaded a selection of mindfulness and PAUSE activities. These are there for you to use and they do not need to be uploaded or handed in.

At the end of this week and the start of next week, we will be holding Google Meet sessions with small groups from each class. Your class teacher will upload the date and time onto Google Classroom so you can let us know if you are able to attend or not. Then the link will be shared just before the meeting time. We look forward to seeing you soon.

Thank you for your patience when it comes to PGL. We are currently working on rescheduling the dates and we will let you know more details when we have them.

A huge thank you for all your ongoing support, you are doing a great job! We hope that you are all staying safe and healthy, we miss seeing the children every day!

Kind Regards,

The Year 4 Team
