

Worplesdon Primary School – Weekly Update

Friday 15th May 2020

Dear Parents / Carers,

Firstly, well done on another fantastic week of fantastic work produced by the children. We are so proud with how well you are all doing!

In English, next week the children are going to be writing their own version of Can You Catch a Mermaid. The children will be tweaking what Freya the mermaid loses. We will be continuing to use the present perfect tense. We cannot wait to see what the children come up with. In Maths, we will continue to look at statistics with a focus on line graphs.

It has been so lovely to catch up with so many of the children on Google Meet. We will continue to carry out these meetings and we hope the children are finding them a positive experience.

Please remember that if you need any help or advice don't forget you can email one of the team and we will respond as soon as we are able. We do not expect all children to complete every piece of work or task and we appreciate there will be days when school work is not a priority!

Thank you again for your patience when it comes to PGL. We are almost there with rescheduling the dates and we will let you know more details as soon as we have them.

We hope that you are all staying safe and healthy, we miss seeing the children every day!

Kind Regards,

The Year 4 Team
