

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 22nd May, 2020

We are so proud of how well the children have participated in our google meet sessions this week. We were delighted to see so many children volunteering to speak which was great! As always it was lovely to see everybody and all feel connected at this unusual time.

We continue to be very impressed with the quality of work uploaded to the google classroom, in particular such great non-fiction facts about minibeasts.

A reminder that the children are able to access bug club while at home so please do use this wonderful resource wherever possible.

We cannot believe we have now reached half term, we imagine you are looking forward to it as much as the children! We hope you can all have a well-deserved rest before we regroup and embark on the last half term of the school year. We miss the children so much and wish them and you a super half term.

Stay safe

With very best wishes

The Year One Team
