

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 5th June

Welcome back! We hope you all had a lovely half term in the sunshine. It has been brilliant to see everyone working hard on the google classroom this week and uploading such great work.

The children have done a great job at retelling the story of 'The Hungry Caterpillar.' We have seen so many examples of children using the writing suitcase to add extra amazing things to their work. In particular the use of adjectives as shown by someone this week, '***A tiny silvery egg lay on a big green leaf.***'

We will be continuing with our google meets next week so please keep an eye on the stream for the invite. As always, the invite is posted the day before with the link for the meeting posted on the stream 5 minutes before the start of the meeting. We are very much looking forward to seeing the children, albeit virtually, next week.

As you know we have been learning about habitats and as part of our DT learning. This half term the children will be asked to make a habitat box. Next week they will be designing their boxes so please remember to save a box and start to gather the bits they need from their plan to use the following week.

As always if you have any questions or queries please don't hesitate to contact us, we are all missing the children so much.

Stay safe

With very best wishes

The Year One Team
