

Worplesdon Primary School – Weekly Update

5.6.20

Dear Parents / Carers,

Welcome back to the final half term of the year! We hope you all had an enjoyable week with your family and were able to make the most of the sunshine.

This half term will be slightly different as more children and staff will be in school. The online work will be followed by those at home or in school and staff will respond to emails as soon as possible. You may find that another member of the Year 4 team comments on your child's work occasionally. If work is completed after the day it is set, then please do leave a comment so that we are alerted to it. Thank you.

In English, we are moving on to a new block of work about poetry, beginning with Haiku. We will then be looking at writing poems with different structures.

In Maths, we will be investigating angles and shapes.

As so many children have been at home away from their friends for so long, more than ever it is important to remind them of the rules for staying safe and sensible on line:

- Never chatting to people they don't know.
- Never adding an unknown contact.
- Always using computers in family spaces.
- Always using correct language.
- Never saying unkind things.

We have had many lessons in school about internet safety but it is always worth reminding the children of the rules on a regular basis.

Thank you for your continued support,

The Year 4 team.
