

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 5th June

We hope you all had a lovely half term. Whilst we have more children in school now, we will continue to be giving feedback to the online learning so please continue to upload your child's work. This week we were lucky to have an online music lesson with Ms Baynes. This was really successful and it was a lovely opportunity for the children at home and at school to be connected. We will begin Google Meets in small groups from next week so look out on the stream to see when your child's meeting is.

This week in Maths, the children have been learning to tell the time to 5 minute intervals. Next week they will be thinking about duration of times and comparing these. Please continue to practise telling the time on analogue and digital clocks at home.

In English, the children have changed the setting in the story of 'The Bog Baby'. We have really enjoyed reading about the rock pool babies, beach babies, cloud babies and everything else in between. Next week, we are moving onto a two week unit on the story of the Tiny Seed which links to our topic of Plants. The children will be practising using sentence starters whilst they rewrite the story next week.

Have a lovely weekend!

Kind regards,

Year 2 team
