## LEARNING

We hope you have all had a good week with your learning, whether that be here at school or at home. We continue to be impressed with the efforts all the children and parents/carers are making to make this challenging time as easy as possible. Keep up the good work, we are very proud of you all!

## GOOGLE MEET

Please can we remind you of the importance of your child being logged in via their own personal accounts. This is for security reasons and enables us to record the Google Meets. If your child is logged in with a different user name, they will be unable to participate. Please let the teaching team know if you are having any technical issues with your child's personal account. Thank you.

## YOUR FEEDBACK

As you know, your feedback is extremely important to us. We would appreciate it if you could spare 5 - 10 minutes to complete the form which has been sent today via your ParentMail account. We are hoping to receive all feedback by Friday 19<sup>th</sup> June. Once we have analysed the data, we will share this with you by the beginning of July. Thanking you in anticipation.

## PE BAGS

If your child has left their PE kit in school, we would be grateful if you could at your earliest convenience come and collect it, before the end of the Summer term (Wednesday 22<sup>nd</sup> July). With effect from Monday 22<sup>nd</sup> June PE bags will be sorted into classes and located outside the main office door for you to safely collect. Thank you for your co-operation 😊.

## SCHOOL LUNCH ACCOUNTS

Please can we ask that if your child's lunch account has an outstanding balance, that this time is used to pay it off, as all accounts need to be cleared by the end of the academic year. We would appreciate if you could check your SCOPay account, as it is Surrey County Council's policy that meals are paid for in advance.

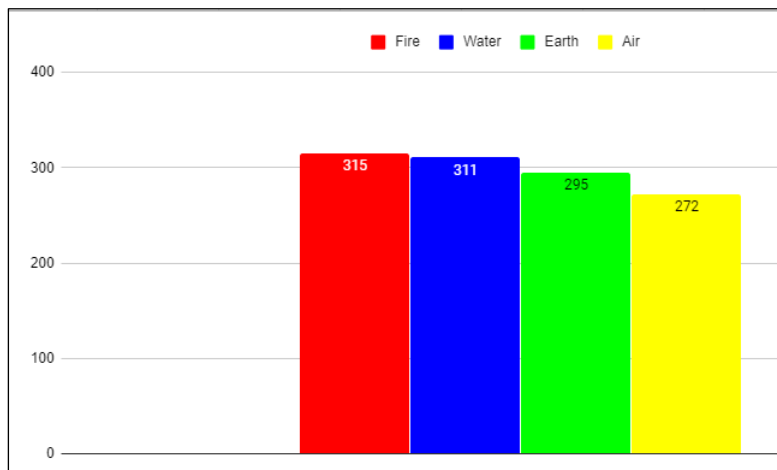

### EARLY BIRDS AND NIGHT OWLS

### NAMING OUR SPECIAL NEEDS CENTRE

As you know, we are lucky to have been chosen to have a special needs centre built at Worplesdon. The good news is that the building works are almost complete. We now need to decide on a great name for the centre. Please encourage your child to be part of the vote that they will find on their Google Classroom. Please inform your child that the children attending the centre will spend time within the centre and within a mainstream classroom. This means they will belong to two classrooms e.g. Magpies Class & the special needs centre. This information may help them with their decision. The link is below in-case this is easier for you ...
