LEARNING

Another great week of learning, both in school and at home. It has been wonderful for the children at home and at school to be involved in our new **'Live Lessons'** this week. These will run 3-5 days per week, for every year group until the end of term. We hope you have enjoyed them as much as the staff have.

BUBBLES – REMINDERS

Please can you ensure children:

- wear a school T-shirt/jumper with shorts/jeans instead of school skirts and trousers. ***We would ask that all clothes are washed on a daily basis.***
- wear practical footwear with **no** open-toed shoes/sandals.
- with long hair, must have it tied back at all times.
- have sun cream applied before school (in hot weather) and have a hat and a full water bottle.

Thank you!

SOCIAL DISTANCING

We continue to work with the children to ensure they socially distance as much as possible when they are in school. They even managed this during our Fire Drill this morning! Please continue to be great role models during drop off and pick up so that the children do not get mixed messages from home and school. Many thanks 😊.

MEDICATION

If your child requires medication, please bring this to school in a clearly named plastic bag with clear instructions about the dosage and time. This needs to be given into your child's teaching team who will pass to the office team.

PE BAGS

If your child has left their PE kit in school, we would be grateful if you could at your earliest convenience come and collect it, before the end of the Summer term (Wednesday 22nd July). We still have a large number of PE bags on site. They have been sorted into classes and are located by the school office, ready for you to safely collect.

REMINDER:
No Dogs on
School Property

DOGS ON SCHOOL GROUNDS

Please can we remind you that it is school policy that **NO** dogs are allowed on school grounds, whether this be on a lead or being carried. They must not be tied up on school fences unattended either.

We fully understand that some families walk their dog to school when dropping off/picking up. If this is the case we

ask that an adult remains with the dog (however friendly they may be 😊), as we have a number of families who feel intimidated. Thank you for your support.

BUILDING WORKS

Our brilliant contractor team (MCS) have almost completed the building of our new special needs centre. It is looking great! We would like to take this opportunity to thank the children who voted on the name for our new centre. I am delighted to inform you that the new centre will be called '**The Haven**'. Furthermore, the children at Freemantles who will be joining us in September have voted for the class names within The Haven and they have decided on **Penguins** for the infant classroom and **Falcons** for the junior classroom. We are very much looking forward to welcoming The Haven children to Worplesdon in September.

MESSAGE FROM OUR CHAIR OF GOVERNORS

A quick shout out to all runners out there who may or may not be returning to events in the coming months. London Marathoners are still currently 'on' for 4th October and so cruelly training resumes for the second time round... this includes our Chair of Governors, raising funds for those in need at the school, pictured here following training this morning with one of his running companions.

A huge thank you to those who have already sponsored 'first time' around!
