

Worplesdon Primary School – Weekly Update

Dear Parents and Carers

3rd July 2020

What a busy week we have had both in school and on the google classroom. We have seen so many pieces of brilliant work online from videos children have uploaded as part of their RE work to super examples of maths learning at home. The children continue to amaze us all each and every day and we are immensely proud of them all.

Don't forget to check the stream as we will be posting pieces of WOW work on there to share. All the children have made such great achievements we would like to celebrate some of them with you all.

We hope you all received the exciting news this week about who your child's teacher is in year 2! The google meets with Year 2 are going to be an opportunity for the children to meet their new class teacher and teaching assistant and an important part of the very different transition process this year. Blackbirds is on Friday 3rd July at 4pm and Finches is on Thursday 9th at 4pm. Also remember to look out for a video from your new teachers and Ta's on the google classroom on Friday 10th July!

As the children will be meeting with their new teachers over the next week we have not scheduled home learner google meets at the usual time on Monday. We will resume these the week after. Don't forget that our house point winner gets a google meet scavenger hunt on Monday at 1pm so keep your eyes open for the winning house.

We know lots of children continue to use bug club regularly and we encourage you to keep doing this. As we would normally assess the children's reading in school before changing book bands we will only move them up a maximum of 2 book bands during lockdown. If you have any concerns that your child has run out of books in their current band please email the class teacher to discuss this. The children will be assessed when we return to school. Thank you for all your hard work with reading.

We hope you all have a lovely weekend, as always if you have any questions or queries, please don't hesitate to contact us.

Stay safe

With very best wishes

The Year One Team
