

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

03.07.2020

We hope you've had a lovely week. You should all be aware of your child's new class for Year 3. Whilst we cannot have the normal transition day, the children will have a Google Meet with their new teachers and teaching assistants next week to help them prepare for the transition. These will be after school so the children currently in bubbles at school will need to log in at home. It would be great to have all the children join in with these 😊

Class	Teacher	TA	Google Meet
Magpies	Mrs Woodruff & Miss Flashman	Mrs Godhino	Wednesday 8 th July at 4:15pm
Starlings	Miss Bennett	Mrs Birchall & Mrs Wood	Thursday 9 th July at 3:45pm
Sparrows	Miss Brake	Mrs Jordan	Thursday 9 th July at 4:00pm

This week in Maths, the children have been learning about temperature and practising answering questions across different areas of measurement. For the rest of the term, we will be doing some investigations to help the children consolidate their learning on number. Next week the children will begin by doing lots of addition and subtraction to help Wilma the Witch plan a party!

In English, the children are learning about instruction texts. This week, they have written instructions about making a sandwich, linked to their DT work. Next week, they will be writing instructions on making a food or drink item of their choice. This can be as simple as a bowl of cereal or as extravagant as a 3 course meal! We will share the children's recipes with each other to make a Year 2 Recipe 'book' on Google Classroom.

Kind regards,

Year 2 team
